

# THE EVOLUTION OF VENDING MACHINES: PVCEEDS

2022

## ❖ INFO

+39 666 5430120

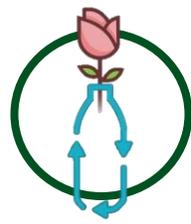

pvceeds@gmail.it

@pvceedsevolution

*A two-fold action  
for our green  
mission*

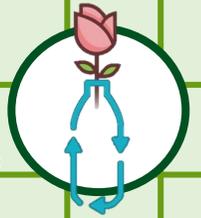

It is a **vending machine**, inside which, once you place an **environmentally hazardous object**, such as plastic bottles, cans, etc., it gives you in return a **quantity of seeds** of your choice **directly proportional** to the number of objects placed inside the machine.

## What is it & What it is for?
